Dear Sir:

This is a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR § 1.137(f) for the above-identified patent application. The basis for this petition is that upon review of the file it was discovered that Applicant unintentionally and without deceptive intent failed to notify the Patent Office of a foreign filing and to file a Request to Rescind Previous Nonpublication Request.

The required fee under 37 CFR § 1.137(b)(2) is enclosed.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements and the like may jeopardize the validity of the application or any patent issuing thereon.
